Directors' Reports

Mr. Woomert – There are still technical issues which are being solved. The two orchestra ensembles have been combined into one big group this semester. In the spring, other changes will be made. Still working on first piece. Hoping the editing will be easier, because we are completing an audio of the performance with a slide show of pictures.

Ms. Meloro –

Mr. Posner –

President's Report

- **Two points to share** – 1) Because it is Breast Cancer Awareness Month, I would like to remind all ladies in your life to complete their Breast Exams per their doctor's orders. 2) During the meetings, I am not able to see the group chat because I'm taking meeting minutes. If there is something that needs to be asked, it is okay to interrupt me.
- **Open positions** – We still actively seek folks to help with the following positions: Recording Secretary, Orchestra Liaison and Choir Liaison and specific new fundraising chairpersons.
- **Ms Veslacy** - Has been added to the email group and she and I will talk as needed.
- **Michael Sensi** – Will be hosting a meeting next week for all AHS Boosters. Margaret and Gisella will attend the meeting representing our group.
- **Document Storage** – It was agreed that only the most recent month of meeting minutes should be kept on the atholtonmusic.org website. Older meeting minutes will be stored in Slack.
